Mr James Semler  
2374 Seventh Ave/  
New York City

Dear Semler:

I wish you would read this letter carefully, and answer it. I have asked you several questions about Patterson, and I still do not know what is what. First of all I asked you did you want to have all three games scheduled in there in May put on one card. We are only playing in one of them. The other two are both The Yankees and another team. You said in your last letter to me order placards for Patterson, and we will go 50-50 on them. If you put all three games on the card we will only be responsible for 1/3. If you only want the first two games on the card let me know that also. I will send the games we have scheduled to Mr Kelly today, and tell him you asked me to send them.

Now about the trip from the 20th to the 30th. You will have to tell me where you want us to play before I can OK it. I told you, I do not want to make any long trips. I think we should do well in Portsmouth on the 26th, but I will wait to hear from you what spot you have in mind. Please let me know right away. While I don't want to make any long trip I want to make some money, and if you have an interesting trip I will be glad to learn what it is.

Please let me hear from you by return mail if possible.

Very Truly Yours
